

Bendix Gears 500 Series

The casting number on the Bendix steering gear is the part number and of course, we always like to know the **year/make/model** of the vehicle to insure the correct gear.

1989 to Current
Model F - FT600 to F- FT9000
with 10K to 12K axle and casting numbers
2260701 or 2260351 or 2268006
